# ARE YOU READY TO REFORM?

**Hold tight boys as we introduce you to the most exciting crypto project of our time. Cyber Underground Academy (\$CUA) was founded by a group of fearless people. It rose from the ashes to fight for the moneys lost in the Memecoin saga. Now we are here to turn the Memecoin rules upside down with wisdom...**

**There will no longer be  
any memecoins  
that you think are  
the safest or most memorable.**

**Briefly,  
"The days of dogs are over!"  
You thought \$PEPE took  
control!  
But YOU WERE WRONG...  
Don't forget!  
Wisdom always wins...**

**\$CUA ABOUT**  
**\$CUA token has no relation with**  
**any meme, nor can it be!**  
**This token is here to stand against**  
**a market where everyone wins**  
**and no one gets hurt.**

**\$CUA was overwhelmed watching the investments being made with the Shiba, Pepe, Doge, Kishu, Floki, Moon Inu coins that everyone trusted as infinite derivatives. Now, he started to spend all his days instead of earning money and instead taking what is in his pocket.**

**Think of the world's most well-known memes and put them in a place like that! The time has come to throw their kingdoms aside...**

**\$CUA is here to ensure the right investment and the right profit by monitoring memecoins. Non-pre-sale-pre-sale, tax-free, initiated confidentially, as if the contract was waived, etc. Tired of all the memecoins hitting the market with promises to fool you forever. \$CUA, an accuracy and profit-only coin, exists to show you the tricks of winning.**

# TOKENOMICS
